Employment History

- | | |
|---------------------|---|
| Jan 2026 - present | ■ Senior Economist. Economic Innovation Group (EIG), Washington, D.C.
Help shape and prioritize EIG's research pipeline by generating new ideas, assessing fit with strategic priorities, and tracking key economic, academic, and policy developments. Lead end-to-end research projects: frame questions, select data, design and defend identification strategies, run quantitative analysis, and write publication-ready outputs with institutional rigor. Serve as a public-facing representative of EIG by presenting findings to policymakers, researchers, and media and translating technical work for broad audiences. Support fundraising and external partnerships by cultivating relationships with funders, contractors, and vendors. Mentor and develop junior staff with hands-on support for coding, data best practices, quality norms, and team development. |
| Sep 2024 - Jan 2026 | ■ Economist. Economic Innovation Group (EIG), Washington, D.C.
Economic research with large datasets; advanced statistical and spatial analysis. Translate empirical results into policy writing, data visualization, and stakeholder outreach. |
| Jan 2023 - Sep 2024 | ■ Associate Economist. Economic Innovation Group (EIG), Washington, D.C.
Applied empirical methods to EIG research on labor markets, place-based policy, and economic mobility. Supported report production, data engineering, and policy communication for public-facing publications. |
| 2021 - 2022 | ■ Postdoctoral Research Scientist. Center on Poverty and Social Policy, Columbia University, New York, NY
Empirical analyses of major U.S. social policies and reforms. Work on intergenerational poverty, material hardship, and employment impacts of the Child Tax Credit. |
| 2020 - 2021 | ■ Dean's Research Assistant. University of Washington, Seattle, WA
Supported faculty transition to technology-enhanced learning. Conducted DEI and course design assessments; developed action plans informed by interviews and surveys. |
| 2020 | ■ Predoctoral Instructor. University of Washington, Seattle, WA
Primary instructor for a section of the core MPA microeconomics and public policy course. |
| 2018 | ■ Short-Term Consultant. World Bank Group, Seattle, WA
Expenditure analysis across household surveys in Malawi, Tanzania, Ghana, Peru, and Cote d'Ivoire. Developed seasonality estimates using parametric, semi-parametric, and machine learning approaches. |
